Moment of Truth

Partner Mindset Technique No. 7

Accept the Offer

Do you block offers before they happen? How? In all situations, or only some? In which situations and with whom?

For the next 48 hours, practice accepting every offer that comes your way, from someone opening a door, to assistance/advice on a project, to being offered a seat on the train. An offer can be verbal, conceptual, physical or emotional. Follow the rule: never block an offer. (Okay, maybe not everything...)

What kinds of offers did you get? (An offer can be verbal, conceptual, physical or emotional.) Examples: someone offered you their seat on a crowded bus, a smile, someone let you go ahead of them in line and so on.

Next, practice extending offers enthusiastically for the next few days. How does it feel when others accept your offers?

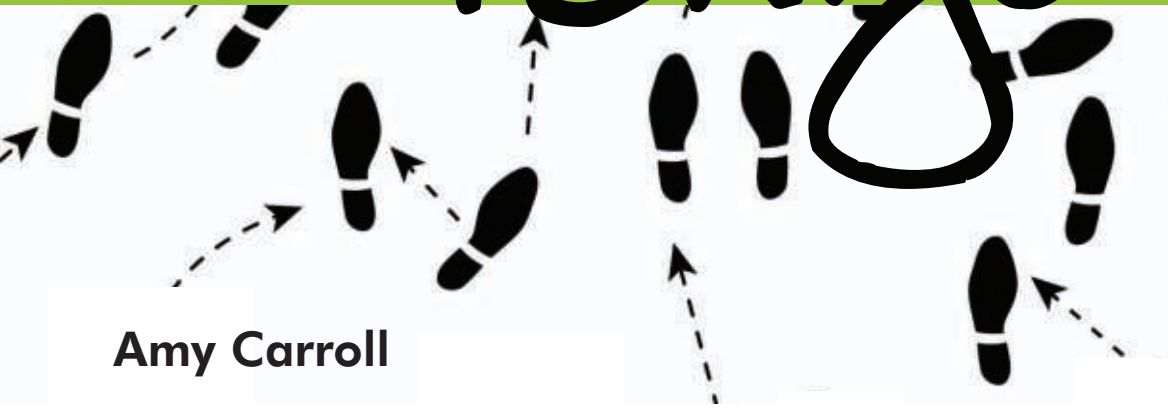

How does it feel when they block your offers?

What are some of the rewards and benefits to accepting offers in your life?
